

Release Notes – COS30031 Git Repo Setup

Author: Luke Valentino

Student ID: 103024456

Unit: COS30031, Games Programming

Date: 4/08/2023

Summary:

In this lab, I have successfully completed the setup of the private GitHub repository containing all the relevant documents provided on canvas.

Tasks Completed:

- Created private GitHub Repository
- Downloaded and extracted task folder from Canvas.
- Added task folder to GitHub Repository.
- Updated README.md with appropriate changes.

Issues:

- None.
